(1) A person, firm, or corporation may not be granted a permit or be authorized to tap into, or use any such water or sewer facilities or extensions thereof during the period of time prescribed in such contract without first paying to the municipality, in addition to any and all other costs and charges made or assessed for such tap, or use, or for the water lines or sewers constructed in connection therewith, the amount required by the provisions of the contract under which the water or sewer facilities so tapped into or used were constructed.
