

**RCW 36.110.070 Board of directors may receive funds, establish fee schedule.** The board may receive funds from local, county, state, or federal sources and may receive grants to support its activities. The board may establish a reasonable schedule of suggested fees that will support statewide efforts to promote and facilitate jail industries that would be presented to cities and counties that have established jail industries programs. [1993 c 285 § 7.]
