

**RCW 36.32.510 Right-of-way donations—Credit against required improvements.** Where the zoning and planning provisions of a county require landscaping, parking, or other improvements as a condition to granting permits for commercial or industrial developments, the county may credit donations of right-of-way in excess of that required for traffic improvement against such landscaping, parking, or other requirements. [1987 c 267 § 10.]

*Right-of-way donations: Chapter 47.14 RCW.*
