

RCW 36.70A.755 Implementing the work plan. In developing stewardship practices to implement the work plan, to the maximum extent practical the watershed group should:

(1) Avoid management practices that may have unintended adverse consequences for other habitats, species, and critical areas functions and values; and

(2) Administer the program in a manner that allows participants to be eligible for public or private environmental protection and enhancement incentives while protecting and enhancing critical area functions and values. [2011 c 360 § 13.]
