

RCW 36.70A.760 Agricultural operators—Withdrawal from program.

An agricultural operator participating in the program may withdraw from the program and is not required to continue voluntary measures after the expiration of an applicable contract. The watershed group must account for any loss of protection resulting from withdrawals when establishing goals and benchmarks for protection and a work plan under RCW 36.70A.720. [2011 c 360 § 14.]
