Part headings not law—Effective date—1996 c 230: See notes following RCW 57.02.001.

Effective date—1995 c 131: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately [April 24, 1995]." [1995 c 131 s 2.]

Severability—1982 c 10: See note following RCW 6.13.080.

Legislative declaration—"District" defined—1981 c 45: "It is declared to be the public policy of the state of Washington to provide for the orderly growth and development of those areas of the state requiring public water service or sewer service and to secure the health and welfare of the people residing therein. The growth of urban population and the movement of people into suburban areas has required

the performance of such services by water districts and sewer districts and the development of such districts has created problems of conflicting jurisdiction and potential double taxation.

It is the purpose of this act to reduce the duplication of service and the conflict among jurisdictions by establishing the principle that the first in time is the first in right where districts overlap and by encouraging the consolidation of districts. It is also the purpose of this act to prevent the imposition of double taxation upon the same property by establishing a general classification of property which will be exempt from property taxation by a district when such property is within the jurisdiction of an established district duly authorized to provide service of like character.

Unless the context clearly requires otherwise, as used in this act, the term "district" means either a water district organized under Title 57 RCW or a sewer district organized under Title 56 RCW or a merged water and sewer district organized pursuant to chapter 57.40 or 56.36 RCW." [1981 c 45 s 1.]

Severability—1981 c 45: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1981 c 45 s 14.]
