

**RCW 4.24.340 Liability of merchants and other parties for creating a property crime database—Information sharing.** Merchants and other parties who create a database of individuals who have been: Apprehended in the process of committing a property crime; assessed a civil fine or penalty for committing a property crime; or convicted of a property crime are not subject to civil fines or penalties for sharing information from the database with other merchants, law enforcement officials, or legal professionals. [2009 c 431 s 19.]

**Applicability—2009 c 431:** See note following RCW 4.24.230.
