Mere expressions or inquiries about postretirement employment by an employer or employee that do not constitute a commitment to reemploy the employee after retirement are not an agreement under this subsection.

(37)(a) "Service" for plan 1 members, except as provided in RCW 41.40.088, means periods of employment in an eligible position or positions for one or more employers rendered to any employer for which compensation is paid, and includes time spent in office as an elected or appointed official of an employer. Compensation earnable earned in full time work for 70 hours or more in any given calendar month shall constitute one service credit month except as provided in RCW 41.40.088. Compensation earnable earned for less than 70 hours in any calendar month shall constitute one-quarter service credit month of service except as provided in RCW 41.40.088. Only service credit months and one-quarter service credit months shall be counted in the computation of any retirement allowance or other benefit provided for in this chapter. Any fraction of a year of service shall be taken into account in the computation of such retirement allowance or benefits. Time spent in standby status, whether compensated or not, is not service.

If an individual is employed in an eligible position by one or more employers the individual shall receive no more than one service credit month during any calendar month in which multiple service for seventy or more hours is rendered.

(b) "Service" for plan 2 and plan 3 members, means periods of employment by a member in an eligible position or positions for one or more employers for which compensation earnable is paid. Compensation earnable earned for 90 or more hours in any calendar month shall constitute one service credit month except as provided in RCW 41.40.088. Compensation earnable earned for at least 70 hours but less than 90 hours in any calendar month shall constitute one-half service credit month of service. Compensation earnable earned for less than 70 hours in any calendar month shall constitute one-quarter service credit month of service. Time spent in standby status, whether compensated or not, is not service.

Any fraction of a year of service shall be taken into account in the computation of such retirement allowance or benefits.

(i) Service in any state elective position shall be deemed to be full time service, except that persons serving in state elective positions who are members of the Washington school employees' retirement system, teachers' retirement system, public safety employees' retirement system, or law enforcement officers' and firefighters' retirement system at the time of election or appointment to such position may elect to continue membership in the Washington school employees' retirement system, teachers' retirement system, public safety employees' retirement system, or law enforcement officers' and firefighters' retirement system.

(ii) A member shall receive a total of not more than 12 service credit months of service for such calendar year. If an individual is employed in an eligible position by one or more employers the individual shall receive no more than one service credit month during any calendar month in which multiple service for ninety or more hours is rendered.

(iii) Up to 45 days of sick leave may be creditable as service solely for the purpose of determining eligibility to retire under RCW 41.40.180 as authorized by RCW 28A.400.300. For purposes of plan 2 and plan 3 "forty-five days" as used in RCW 28A.400.300 is equal to two

service credit months. Use of less than 45 days of sick leave is creditable as allowed under this subsection as follows:

(38) "Service credit month" means a month or an accumulation of months of service credit which is equal to one.

(39) "Service credit year" means an accumulation of months of service credit which is equal to one when divided by twelve.
