

**RCW 43.03.240 Compensation of members of part-time boards and commissions—Class three groups (as amended by 2011 c 5).** (1) Any part-time, statutory board, commission, council, committee, or other similar group which has rule-making authority, performs quasi-judicial functions, has responsibility for the administration or policy direction of a state agency or program, or performs regulatory or licensing functions with respect to a specific profession, occupation, business, or industry shall be identified as a class three group for purposes of compensation.

(2) Except as otherwise provided in this section, each member of a class three group is eligible to receive compensation in an amount not to exceed fifty dollars for each day during which the member attends an official meeting of the group or performs statutorily prescribed duties approved by the chairperson of the group. A person shall not receive compensation for a day of service under this section if the person (a) occupies a position, normally regarded as full-time in nature, in any agency of the federal government, Washington state government, or Washington state local government; and (b) receives any compensation from such government for working that day.

(3) Compensation may be paid a member under this section only if it is authorized under the law dealing in particular with the specific group to which the member belongs or dealing in particular with the members of that specific group.

(4) Beginning July 1, 2010, through June 30, 2011, no person designated as a member of a class three board, commission, council, committee, or similar group may receive an allowance for subsistence, lodging, or travel expenses if the allowance cost is funded by the state general fund. Exceptions may be granted under section 605, chapter 3, Laws of 2010. Class three groups, when feasible, shall use an alternative means of conducting a meeting that does not require travel while still maximizing member and public participation and may use a meeting format that requires members to be physically present at one location only when necessary or required by law. Meetings that require a member's physical presence at one location must be held in state facilities whenever possible (~~(, and)~~). Meetings conducted using private facilities must be approved by the director of the office of financial management, except for facilities provided free of charge.

(5) Beginning July 1, 2010, through June 30, 2011, class three groups that are funded by sources other than the state general fund are encouraged to reduce travel, lodging, and other costs associated with conducting the business of the group including use of other meeting formats that do not require travel.
