- (q) Two persons recommended by environmental organizations;
- (r) One person representing independent power producers;
- (s) The chair of the energy facility site evaluation council or the chair's designee;
- (t) One of the representatives of the state of Washington to the Pacific Northwest electric power and conservation planning council selected by the governor;
- (u) The chair of the utilities and transportation commission or the chair's designee;
- (v) One member from each of the two largest caucuses of the house of representatives selected by the speaker of the house of representatives; and
- (w) One member from each of the two largest caucuses of the senate selected by the president of the senate.

(2) The chair of the advisory committee must be appointed by the governor from citizen members. The director may establish technical advisory groups as necessary to assist in the development of the strategy. The director shall provide for extensive public involvement throughout the development of the strategy.

(3) Upon completion of a public hearing regarding the advisory committee's advice and recommendations for revisions to the energy strategy, a written report shall be conveyed by the department to the governor and the appropriate legislative committees. The energy strategy advisory committee established under this section must be dissolved within three months after their written report is conveyed.
