RCW 44.73.005 Findings. The legislature finds that Washington is committed to economic development and supporting the tourism industry, and that economic development is achieved by promoting the state and the goods produced around the state. The legislature further finds that tourism is encouraged providing a memorable experience and an opportunity for visitors to take something back home with them to remind them of this experience. There are many visitors every day to the legislative building, including tourists, school children, and people from around the state visiting the state capitol. These visitors offer an opportunity for the state to showcase its products and history. Therefore, the legislature finds that a gift center in the legislative building would be an appropriate response to this opportunity, and further, that such a gift center could provide a source of revenue to help fund the oral history program and to pay for the restoration and repurchase of historical capitol furnishings. [2007 c 453 § 1.]

RCW 44.73.010 Legislative gift center—Created—Retail sale of products—Governance—Planning. (1) There is created in the legislature a legislative gift center for the retail sale of products bearing the state seal, Washington state souvenirs, other Washington products, and other products as approved. (2) Governance for the legislative gift center shall be under the chief clerk of the house of representatives and the secretary of the senate. They may designate a legislative staff member as the lead staff person to oversee management and operation of the gift shop.

(3) The chief clerk of the house of representatives and secretary of the senate shall consult with the department of enterprise services in planning, siting, and maintaining legislative building space for the gift center.

(4) Products bearing the "Seal of the State of Washington" as described in Article XVIII, section 1 of the Washington state Constitution and RCW 1.20.080, must be purchased from the secretary of state pursuant to an agreement between the chief clerk of the house of representatives, the secretary of the senate, and the secretary of state. [2015 c 225 § 97; 2007 c 453 § 2.]

Only the chief clerk of the house of representatives and the secretary of the senate, or the lead staff person designated by them to oversee management and operation of the gift shop, may authorize expenditures from the account.
