

**RCW 46.12.725 Seizure and impoundment—Notice to interested persons—Release to owner.** (1) Any vehicle, watercraft, camper, or any component part thereof, from which the manufacturer's serial number or any other distinguishing number or identification mark has been removed, defaced, covered, altered, obliterated, or destroyed, may be impounded and held by the seizing law enforcement agency for the purpose of conducting an investigation to determine the identity of the article or articles, and to determine whether it had been reported stolen.

(2) Within five days of the impounding of any vehicle, watercraft, camper, or component part thereof, the law enforcement agency seizing the article or articles shall send written notice of such impoundment by certified mail to all persons known to the agency as claiming an interest in the article or articles. The seizing agency shall exercise reasonable diligence in ascertaining the names and addresses of those persons claiming an interest in the article or articles. Such notice shall advise the person of the fact of seizure, the possible disposition of the article or articles, the requirement of filing a written claim requesting notification of potential disposition, and the right of the person to request a hearing to establish a claim of ownership. Within five days of receiving notice of other persons claiming an interest in the article or articles, the seizing agency shall send a like notice to each such person.

(3) If reported as stolen, the seizing law enforcement agency shall promptly release such vehicle, watercraft, camper, or parts thereof as have been stolen, to the person who is the lawful owner or the lawful successor in interest, upon receiving proof that such person presently owns or has a lawful right to the possession of the article or articles.
