RCW 46.29.600  Duration of proof—When proof may be canceled or returned. (1) The department shall upon request consent to the immediate cancellation of any bond or certificate of insurance, or the department shall direct and return to the person entitled thereto any money or securities deposited pursuant to this chapter as proof of financial responsibility, or the department shall waive the requirement of filing proof, in any of the following events:
   (a) At any time after three years from the date such proof was required when, during the three-year period preceding the request, the department has not received record of a conviction, forfeiture of bail, or finding that a traffic infraction has been committed which would require or permit the suspension or revocation of the license of the person by or for whom such proof was furnished; or
   (b) In the event of the death of the person on whose behalf such proof was filed or the permanent incapacity of such person to operate a motor vehicle; or
   (c) In the event the person who has given proof surrenders his or her license to the department.
(2) Provided, however, that the department shall not consent to the cancellation of any bond or the return of any money or securities in the event any action for damages upon a liability covered by such proof is then pending or any judgment upon any such liability is then unsatisfied, or in the event the person who has filed such bond or deposited such money or securities has within one year immediately preceding such request been involved as a driver or owner in any motor vehicle accident resulting in injury or damage to the person or property of others. An affidavit of the applicant as to the nonexistence of such facts, or that he or she has been released from all of his or her liability, or has been finally adjudicated not to be liable, for such injury or damage, shall be sufficient evidence thereof in the absence of evidence to the contrary in the records of the department.
(3) Whenever any person whose proof has been canceled or returned under subsection (1)(c) of this section applies for a license within a period of three years from the date proof was originally required, any such application shall be refused unless the applicant shall reestablish such proof for the remainder of such three-year period.
