

RCW 47.12.240 Additional financing methods for property and engineering costs—Payment procedure—Prior charge. The state treasurer shall transfer from the motor vehicle fund to the credit of the fund purchasing such warrants interest at the rate and at the times provided for in the agreement. The state treasurer shall pay the warrants at the time provided for in the agreement. The obligations coming due are a prior charge against any funds in the motor vehicle fund available to the department for construction of state highways. [1984 c 7 § 124; 1961 c 281 § 7.]

Severability—1961 c 281: See note following RCW 47.12.180.
