

RCW 47.26.010 Declaration of intent. Due to unprecedented industrial development and population increases, the state of Washington is confronted with emergency needs for improvement of state highways, county roads, and city streets in urban areas. It is the intent of the legislature to provide sufficient new highway revenues to alleviate and prevent intolerable traffic congestion in urban areas without the disruption of the long range statewide highway program essential to the economic well-being of the people of this state.
