

RCW 47.82.010 Service improvement program. The department, in conjunction with local jurisdictions, shall coordinate as appropriate with the designated metropolitan planning organizations to develop a program for improving Amtrak passenger rail service. The program may include:

- (1) Determination of the appropriate level of Amtrak passenger rail service;
- (2) Implementation of higher train speeds for Amtrak passenger rail service, where safety considerations permit;
- (3) Recognition, in the state's long-range planning process, of potential higher speed intercity passenger rail service, while monitoring socioeconomic and technological conditions as indicators for higher speed systems; and
- (4) Identification of existing intercity rail rights-of-way which may be used for public transportation corridors in the future. [1990 c 43 s 36.]
