

RCW 48.05.410 Health care practitioner risk management training.

Effective July 1, 1994, each health care provider, facility, or health maintenance organization that self-insures for liability risks related to medical malpractice and employs physicians or other independent health care practitioners in Washington state shall condition each physician's and practitioner's liability coverage by that entity upon that physician's or practitioner's participation in risk management training offered by the provider, facility, or health maintenance organization to its employees. The risk management training shall provide information related to avoiding adverse health outcomes resulting from substandard practice and minimizing damages associated with those adverse health outcomes that do occur. For purposes of this section, "independent health care practitioner" means those health care practitioner licensing classifications designated by the department of health in rule pursuant to *RCW 18.130.330. [1993 c 492 § 414.]

***Reviser's note:** RCW 18.130.330 was repealed by 1995 c 265 § 27, effective July 1, 1995.
