

RCW 48.110.010 Finding—Declaration—Purpose. The legislature finds that increasing numbers of businesses are selling service contracts for repair, replacement, and maintenance of motor vehicles, appliances, computers, electronic equipment, and other consumer products. There are risks that contract obligors will close or otherwise be unable to fulfill their contract obligations that could result in unnecessary and preventable losses to citizens of this state. The legislature declares that it is necessary to establish standards that will safeguard the public from possible losses arising from the conduct or cessation of the business of service contract obligors or the mismanagement of funds paid for service contracts. The purpose of this chapter is to create a legal framework within which service contracts may be sold in this state and to set forth requirements for conducting a service contract business.
