

RCW 48.13.101 Satisfaction of the minimum asset requirement—

When assets may be counted. (1) Invested assets may be counted toward satisfaction of the minimum asset requirement only so far as they are invested in compliance with this chapter and applicable rules adopted and orders issued by the commissioner pursuant to this chapter. Assets other than invested assets may be counted toward satisfaction of the minimum asset requirement at admitted annual statement value.

(2) An investment held as an admitted asset by an insurer on July 1, 2012, which qualified under this chapter shall remain qualified as an admitted asset under this chapter.

(3) Assets acquired in the bona fide enforcement of creditors' rights or in bona fide workouts or settlements of disputed claims may be counted for the purposes of subsection (1) of this section for five years after acquisition if real property and three years if not real property, even if they could not otherwise be counted under this chapter. The commissioner may allow reasonable extensions of these periods if replacement of the assets within the periods would not be possible without substantial loss.

(4) If an insurer does not own, or is unable to apply toward compliance with this chapter, an amount of assets equal to its minimum asset requirement, the commissioner may deem it to be financially hazardous under chapter 48.31 RCW. [2011 c 188 § 11.]
