RCW 48.212.060 Prohibited policy terms and practices. (1) No supplemental long-term care insurance policy may:

(a) Be canceled, nonrenewed, or otherwise terminated on the grounds of the age or the deterioration of the mental or physical health of the insured individual or certificate holder;

(b) Contain a provision establishing a new waiting period in the event existing coverage is converted to or replaced by a new or other form within the same company, except with respect to an increase in benefits voluntarily selected by the insured individual or group policyholder;

(c) Provide coverage for skilled nursing care only or provide significantly more coverage for skilled care in a facility than coverage for lower levels of care;

(d) Condition eligibility for any benefits on a prior hospitalization requirement;

(e) Condition eligibility for benefits provided in an institutional care setting on the receipt of a higher level of institutional care;

(f) Condition eligibility for any benefits other than waiver of premium, postconfinement, postacute care, or recuperative benefits on a prior institutionalization requirement;

(g) Include a postconfinement, postacute care, or recuperative benefit unless:

(i) Such requirement is clearly labeled in a separate paragraph of the policy or certificate entitled "Limitations or Conditions on Eligibility for Benefits"; and

(ii) Such limitations or conditions specify any required number of days of preconfinement or postconfinement;

(h) Condition eligibility for noninstitutional benefits on the prior receipt of institutional care;

(i)(i) Provide for a deductible that is greater than the maximum dollar equivalent provided in RCW 50B.04.060(3)(b), including inflation adjustments provided in RCW 50B.04.010(3), without the limitation provided in RCW 50B.04.050(2). The issuer may provide for a deductible that is less than the maximum dollar equivalent provided in RCW 50B.04.060(3)(b), especially for a policyholder born before 1968;

(ii) The issuer must accept notice from the department of social and health services that the policyholder has exhausted the benefits provided under chapter 50B.04 RCW as evidence of satisfying the deductible. However, for a policyholder born before 1968, the department must provide the amount of benefits paid under chapter 50B.04 RCW as evidence of payment toward the deductible;

(j) Include an elimination period of greater than 12 months. Any period of time the policyholder is considered an eligible beneficiary as defined in RCW 50B.04.010 must count toward any elimination period in a supplemental long-term care insurance policy. If the policy includes a deductible and an elimination period, the policy may provide that the elimination period is satisfied after the later of when the deductible or the elimination period has been met; and

(k) Require a policyholder to undergo a functional assessment to satisfy a benefit trigger to determine that the elimination period has begun or ended. However, the issuer may require the policyholder to undergo a functional assessment and apply a benefit trigger for purposes of approving a claim and authorizing benefits.

(2) A supplemental long-term care insurance policy or certificate may be field-issued if the compensation to the field issuer is not based on the number of policies or certificates issued. For purposes

of this section, "field-issued" means a policy or certificate issued by a producer or a third-party administrator of the policy pursuant to the underwriting authority by an issuer and using the issuer's underwriting guidelines. [2025 c 380 s 23.]
