

RCW 48.46.500 Cancellation of rider. Upon application by an enrollee, a rider shall be canceled if at least five years after its issuance, no health care services have been received by the enrollee during that time for the condition specified in the rider, and a physician, selected by the carrier for that purpose, agrees in writing to the full medical recovery of the enrollee from that condition, such agreement not to be unreasonably withheld. The option of the enrollee to apply for cancellation shall be disclosed on the face of the rider in clear and conspicuous language.

For purposes of this section, a rider is a legal document that modifies a contract to exclude, limit, or reduce coverage or benefits for specifically named or described preexisting diseases or physical conditions. [1987 c 37 s 4.]
