RCW 48.83.100  Rescission of policy or certificate.  (1) An issuer may rescind a long-term care insurance policy or certificate or deny an otherwise valid long-term care insurance claim if:

(a) A policy or certificate has been in force for less than six months and upon a showing of misrepresentation that is material to the acceptance for coverage; or

(b) A policy or certificate that has been in force for at least six months but less than two years, upon a showing of misrepresentation that is both material to the acceptance for coverage and that pertains to the condition for which benefits are sought.

(2) After a policy or certificate has been in force for two years it is not contestable upon the grounds of misrepresentation alone. Such a policy or certificate may be contested only upon a showing that the insured knowingly and intentionally misrepresented relevant facts relating to the insured's health.

(3) An issuer's payments for benefits under a long-term care insurance policy or certificate may not be recovered by the issuer if the policy or certificate is rescinded.

(4) This section does not apply to the remaining death benefit of a life insurance policy that accelerates benefits for long-term care that are governed by RCW 48.23.050 the state's life insurance incontestability clause. In all other situations, this section shall apply to life insurance policies that accelerate benefits for long-term care.  [2008 c 145 § 11.]
