

RCW 49.26.020 Asbestos use standards. Standards regulating the use of asbestos in construction or manufacturing shall be established by the director of the department of labor and industries, with the advice of the state health officer and the department of ecology. Standards to be adopted shall describe the types of asbestos that may be used in construction and manufacturing, the methods and procedures for their use, and such other requirements as may be needed to protect the public health and safety with respect to air-borne asbestos particles and asbestos dust. [1973 c 30 § 2.]
