

RCW 50B.04.100 Long-term services and supports trust account.

(1) The long-term services and supports trust account is created in the custody of the state treasurer. All receipts from employers under RCW 50B.04.080 must be deposited in the account. Expenditures from the account may be used for the administrative activities of the department of social and health services, the health care authority, and the employment security department. Benefits associated with the program must be disbursed from the account by the department of social and health services. Only the secretary of the department of social and health services or the secretary's designee may authorize disbursements from the account. The account is subject to the allotment procedures under chapter 43.88 RCW. An appropriation is required for administrative expenses, but not for benefit payments. The account must provide reimbursement of any amounts from other sources that may have been used for the initial establishment of the program.

(2) The revenue generated pursuant to this chapter shall be utilized to expand long-term care in the state. These funds may not be used either in whole or in part to supplant existing state or county funds for programs that meet the definition of approved services.

(3) The moneys deposited in the account must remain in the account until expended in accordance with the requirements of this chapter. If moneys are appropriated for any purpose other than supporting the long-term services and supports program, the legislature shall notify each qualified individual by mail that the person's premiums have been appropriated for an alternate use, describe the alternate use, and state its plan for restoring the funds so that premiums are not increased and benefits are not reduced.
