Finding—2008 c 74: "The legislature finds it necessary to provide the authority to allow specific units within the agencies affected by this act to access criminal history information for certified criminal justice purposes. For the agencies indicated in sections 2 through 7 of this act, the accessing of this information is for investigative purposes so that the agencies are able to efficiently address areas of potential fraud and abuse and to maintain the safety of investigative staff. For the agency responsible for administering and enforcing section 8 of this act, accessing this information is necessary for any purpose associated with employment by the commission or peace officer certification."
