

RCW 51.32.114 Medical examination—Department to monitor quality and objectivity. The department shall examine the credentials of persons conducting special medical examinations and shall monitor the quality and objectivity of examinations and reports for the department and self-insured claimants. The department shall adopt rules to ensure that examinations are performed only by qualified persons meeting department standards. [1988 c 114 § 3.]

Intent—1988 c 114: See note following RCW 51.32.112.
