If the commissioners concur in the petition, they shall file it with the county auditor of the county in which all or the largest geographic portion of the real property proposed to be annexed is located, who shall, within ten days, examine the signatures thereon and certify to the sufficiency or insufficiency thereof. Within ten days after the lead auditor received the petition, the auditors of these other counties shall certify to the lead auditor: (1) The number of voters of that county residing in the area proposed to be annexed who voted at the last municipal general election; and (2) the number of valid signatures on the petition of voters of that county residing in the area proposed to be annexed. The lead auditor shall certify the sufficiency of the petition after receiving this information. If the petition contains a sufficient number of valid signatures, the lead county auditor shall transmit it, together with a certificate of sufficiency attached thereto, to the commissioners of the district.
