After the expiration of the forty-five day period for giving notice of lien provided in RCW 60.28.011(2), and after receipt of the certificates of the department of revenue, the employment security department, and the department of labor and industries, and the public body is satisfied that the taxes certified as due or to become due by the department of revenue, the employment security department, and the department of labor and industries are discharged, and the claims of material suppliers and laborers who have filed their claims, together with a sum sufficient to defray the cost of foreclosing the liens of such claims, and to pay attorneys' fees, have been paid, the public body may withhold from the remaining retained amounts for claims the public body may have against the contractor and shall pay the balance, if any, to the contractor the fund retained by it or release to the contractor the securities and bonds held in escrow.
