

RCW 64.34.005 Findings—Intent—2004 c 201. (1) The legislature finds, declares, and determines that:

(a) Washington's cities and counties under the growth management act are required to encourage urban growth in urban growth areas at densities that accommodate twenty-year growth projections;

(b) The growth management act's planning goals include encouraging the availability of affordable housing for all residents of the state and promoting a variety of housing types;

(c) Quality condominium construction needs to be encouraged to achieve growth management act mandated urban densities and to ensure that residents of the state, particularly in urban growth areas, have a broad range of ownership choices.

(2) It is the intent of the legislature that limited changes be made to the condominium act to ensure that a broad range of affordable homeownership opportunities continue to be available to the residents of the state, and to assist cities' and counties' efforts to achieve the density mandates of the growth management act.
