

RCW 64.36.085 Inspections of projects—Identification of inspectors. (1) The director may require inspections of projects registered under this chapter and promoters and their agents shall cooperate by permitting staff of the department to conduct the inspections.

(2) The director may perform "spot checks" or inspections of sales offices, during tours or sales presentations or normal business hours, for purposes of enforcing this chapter and determining compliance by the operator and salespersons in the sales, advertising, and promotional activities regulated under this chapter. These inspections or spot checks may be conducted during or at the time of sales presentations or during the hours during which sales are ordinarily scheduled.

(3) The department employee making the inspections shall show identification upon request. It is a violation of this chapter for the operator or its sales representatives to refuse an inspection or refuse to cooperate with employees of the department conducting the inspection. [1987 c 370 s 5.]
