

RCW 64.50.005 Finding—Intent. The legislature finds, declares, and determines that limited changes in the law are necessary and appropriate concerning actions claiming damages, indemnity, or contribution in connection with alleged construction defects. It is the intent of the legislature that this chapter apply to these types of civil actions while preserving adequate rights and remedies for property owners who bring and maintain such actions. [2002 c 323 § 1.]
