

RCW 69.28.280 "Deceptive arrangement" defined. The term "deceptive arrangement" shall mean any lot or load, arrangement or display of honey which has in any exposed surface, honey which is so superior in quality, appearance or condition, or in any other respects, to any of that which is concealed or unexposed as to materially misrepresent any part of the lot, load, arrangement or display. [1939 c 199 § 11; RRS § 6163-11.]
