

**RCW 69.41.196 List of interchangeable biological products—
Pharmacy quality assurance commission to maintain link on website.**

The pharmacy quality assurance commission shall maintain a link on its website to the current list of all biological products determined by the federal food and drug administration as interchangeable. The commission shall maintain a list of all biological products approved as therapeutically equivalent by the federal food and drug administration through the approval process specified in 505(b) of the federal food, drug, and cosmetic act. The commission shall make the 505(b) list accessible to pharmacies. [2015 c 242 § 5.]
