

RCW 70.40.090 State plan—Publication—Hearing—Approval by surgeon general—Modifications. The secretary shall prepare and submit to the surgeon general a state plan which shall include the hospital and medical facility construction program developed under this chapter and which shall provide for the establishment, administration, and operation of hospital and medical facility construction activities in accordance with the requirements of the federal act and the regulations thereunder. The secretary shall, prior to the submission of such plan to the surgeon general, give adequate publicity to a general description of all the provisions proposed to be included therein, and hold a public hearing at which all persons or organizations with a legitimate interest in such plan may be given an opportunity to express their views. After approval of the plan by the surgeon general, the secretary shall publish a general description of the provisions thereof in at least one newspaper having general circulation in the state, and shall make the plan, or a copy thereof, available upon request to all interested persons or organizations. The secretary shall from time to time review the hospital and medical facility construction program and submit to the surgeon general any modifications thereof which he or she may find necessary and may submit to the surgeon general such modifications of the state plan, not inconsistent with the requirements of the federal act, as he or she may deem advisable.
