

RCW 70A.15.3060 State financial aid—Application for—

Requirements. (1) Any authority may apply to the department for state financial aid. The department shall annually establish the amount of state funds available for the local authorities taking into consideration available federal and state funds. The establishment of funding amounts shall be consistent with federal requirements and local maintenance of effort necessary to carry out the provisions of this chapter. Any such aid shall be expended from the general fund or from other appropriations as the legislature may provide for this purpose: PROVIDED, That federal funds shall be utilized to the maximum unless otherwise approved by the department: PROVIDED FURTHER, That the amount of state funds provided to local authorities during the previous year shall not be reduced without a public notice or public hearing held by the department if requested by the affected local authority, unless such changes are the direct result of a reduction in the available federal funds for air pollution control programs.

(2) Before any such application is approved and financial aid is given or approved by the department, the authority shall demonstrate to the satisfaction of the department that it is fulfilling the requirements of this chapter. If the department has not adopted ambient air quality standards and objectives as permitted by RCW 70A.15.3000, the authority shall demonstrate to the satisfaction of the department that it is acting in good faith and doing all that is possible and reasonable to control and prevent air pollution within its jurisdictional boundaries and to carry out the purposes of this chapter.

(3) The department shall adopt rules requiring the submission of such information by each authority including the submission of its proposed budget and a description of its program in support of the application for state financial aid as necessary to enable the department to determine the need for state aid.
