

RCW 70A.15.5200 Fires necessary for Indian ceremonies or smoke signals. Nothing in this chapter prohibits fires necessary for Indian ceremonies or for the sending of smoke signals if part of a religious ritual. Permits issued for burning under this section shall be drafted to minimize emissions including denial of permission to burn during periods of adverse meteorological conditions. [2009 c 118 § 702. Formerly RCW 70.94.6550.]

Purpose—2009 c 118: See note following RCW 70A.15.5000.
