RCW 70A.218.020 Hazardous waste generation—Fee. A fee is imposed for the privilege of generating hazardous waste in the state. The annual amount of the fee shall be thirty-five dollars upon every hazardous waste generator doing business in Washington in the current calendar year or any part thereof. This fee shall be collected by the department or its designee. A hazardous waste generator shall be exempt from the fee imposed under this section if the value of products, gross proceeds of sales, or gross income of the business, from all business activities of the hazardous waste generator, is less than twelve thousand dollars in the current calendar year. The department shall, subject to appropriation, use the funds collected from the fees assessed in this subsection to support the activities of the office of waste reduction as specified in RCW 70A.214.030. The fee imposed pursuant to this section is due annually by July 1 of the year following the calendar year for which the fee is imposed. [2020 c 20 § 1222; 1995 c 207 § 2. Prior: 1994 sp.s. c 2 § 3; 1994 c 136 § 2; 1990 c 114 § 12. Formerly RCW 70.95E.020.]

Effective date—1995 c 207: See note following RCW 70A.218.010.

Effective date—1994 sp.s. c 2: See note following RCW 82.04.4451.

RCW 70A.218.030 Voluntary reduction plan—Fees. Hazardous waste generators and hazardous substance users required to prepare plans under RCW 70A.214.110 shall pay an annual fee to support implementation of RCW 70A.214.110 and 70A.214.040. These fees are to be used by the department, subject to appropriation, for plan review, technical assistance to facilities that are required to prepare plans, other activities related to plan development and implementation, and associated indirect costs. The total fees collected under this subsection shall not exceed the department's costs of implementing RCW 70A.214.110 and 70A.214.040 and shall not exceed one million dollars per year. The annual fee for a facility shall not exceed ten thousand dollars per year. Any facility that generates less than two thousand six hundred forty pounds of hazardous waste per waste generation site in the previous calendar year shall be exempt from the fee imposed by this section. The annual fee for a facility generating at least two thousand six hundred forty pounds but not more than four thousand pounds of hazardous waste per waste generation site in the previous calendar year shall not exceed fifty dollars. A person that develops a plan covering more than one interrelated facility as provided for in RCW 70A.214.110 shall be assessed fees only for the number of plans prepared. The department shall adopt a fee schedule by rule after
consultation with typical affected businesses and other interested parties. Hazardous waste generated and recycled for beneficial use, including initial amount of hazardous substances introduced into a process and subsequently recycled for beneficial use, shall not be used in the calculations of hazardous waste generated for purposes of this section.

The annual fee imposed by this section shall be first due on July 1st of the year prior to the year that the facility is required to prepare a plan, and by July 1st of each year thereafter. [2020 c 20 § 1223; 1994 c 136 § 3; 1990 c 114 § 13. Formerly RCW 70.95E.030.]

RCW 70A.218.040 Fees—Generally. On an annual basis, the department shall adjust the fees provided for in RCW 70A.218.020 and 70A.218.030, including the maximum annual fee, and maximum total fees, by conducting the calculation in subsection (1) of this section and taking the actions set forth in subsection (2) of this section:

(1) In November of each year, the fees, annual fee, and maximum total fees imposed in RCW 70A.218.020 and 70A.218.030, or as subsequently adjusted by this section, shall be multiplied by a factor equal to the most current quarterly "price deflator" available, divided by the "price deflator" used in the numerator the previous year. However, the "price deflator" used in the denominator for the first adjustment shall be defined by the second quarter "price deflator" for 1990.

(2) Each year by March 1st the fee schedule, as adjusted in subsection (1) of this section will be published. The department will round the published fees to the nearest dollar. [2020 c 20 § 1224; 1990 c 114 § 14. Formerly RCW 70.95E.040.]
