

RCW 70A.300.410 Department may require notice of intent for management facility permit. The department may adopt rules to require any person who intends to file an application for a permit for a hazardous waste management facility to file a notice of intent with the department prior to submitting the application. [1985 c 448 s 11. Formerly RCW 70.105.245.]

Severability—1985 c 448: See note following RCW 70A.300.005.
