

RCW 70A.35.020 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of commerce.

(2) "Direct outreach" means:

(a) The use of door-to-door contact, community events, and other methods of direct interaction with customers to inform them of energy efficiency and weatherization opportunities; and

(b) The performance of energy audits.

(3) "Energy audit" means an analysis of a dwelling unit to determine the need for cost-effective energy conservation measures as determined by the department.

(4) "Healthy housing improvements" means increasing the health and safety of a home by integrating energy efficiency activities and indoor environmental quality measures, consistent with the weatherization plus health initiative of the federal department of energy and the healthy housing principles adopted by the federal department of housing and urban development.

(5) "Household" means an individual or group of individuals living in a dwelling unit as defined by the department.

(6) "Low income" means household income as defined by the department, provided that the definition may not exceed eighty percent of median household income, adjusted for household size, for the county in which the dwelling unit to be weatherized is located.

(7) "Nonutility sponsor" means any sponsor other than a public service company, municipality, public utility district, mutual or cooperative, furnishing gas or electricity used to heat low-income residences.

(8) "Residence" means a dwelling unit as defined by the department.

(9) "Sponsor" means any entity that submits a proposal under RCW 70A.35.040, including but not limited to any local community action agency, tribal nation, community service agency, or any other participating agency or any public service company, municipality, public utility district, mutual or cooperative, or any combination of such entities that jointly submits a proposal.

(10) "Sponsor match" means the share of the cost of weatherization to be paid by the sponsor.

(11) "Sustainable residential weatherization" or "weatherization" means activities that use funds administered by the department for one or more of the following: (a) Energy and resource conservation; (b) energy efficiency improvements; (c) repairs, indoor air quality improvements, and health and safety improvements; and (d) client education. Funds administered by the department for activities authorized under this subsection may only be used for the preservation of a dwelling unit occupied by a low-income household and must, to the extent feasible, be used to support and advance sustainable technologies.

(12) "Weatherizing agency" means any approved department grantee, tribal nation, or any public service company, municipality, public utility district, mutual or cooperative, or other entity that bears the responsibility for ensuring the performance of weatherization of residences under this chapter and has been approved by the department.
