

RCW 70A.515.110 Chapter void if federal law establishes a national program. This chapter is void if a federal law, or a combination of federal laws, takes effect that establishes a national program for the collection and recycling of architectural paint that substantially meets the intent of this chapter, including the creation of a funding mechanism for collection, transportation, recycling, and proper disposal of all architectural paint in the United States.
[2019 c 344 § 11. Formerly RCW 70.375.110.]
