

RCW 71.24.647 Standards for certification or licensure of triage facilities. The secretary shall license or certify triage facilities that meet state minimum standards. The standards for certification or licensure of triage facilities by the department must include standards related to the ability to assess and stabilize an individual or determine the need for involuntary commitment of an individual.
[2018 c 201 § 4056.]

Findings—Intent—Effective date—2018 c 201: See notes following RCW 41.05.018.
