

RCW 71.34.760 Placement of minor in state evaluation and treatment facility or substance use disorder treatment program—Placement committee—Facility or program to report to committee. (1) If a minor is committed for one hundred eighty-day inpatient treatment and is to be placed in a state-supported program, the director shall accept immediately and place the minor in a state-funded long-term evaluation and treatment facility or state-funded approved substance use disorder treatment program.

(2) The director's placement authority shall be exercised through a designated placement committee appointed by the director and composed of children's mental health specialists and substance use disorder professionals, including at least one child psychiatrist who represents the state-funded, long-term, evaluation and treatment facility for minors and one substance use disorder professional who represents the state-funded approved substance use disorder treatment program. The responsibility of the placement committee will be to:

(a) Make the long-term placement of the minor in the most appropriate, available state-funded evaluation and treatment facility or approved substance use disorder treatment program, having carefully considered factors including the treatment needs of the minor, the most appropriate facility able to respond to the minor's identified treatment needs, the geographic proximity of the facility to the minor's family, the immediate availability of bed space, and the probable impact of the placement on other residents of the facility;

(b) Approve or deny requests from treatment facilities for transfer of a minor to another facility;

(c) Receive and monitor reports required under this section;

(d) Receive and monitor reports of all discharges.

(3) The director may authorize transfer of minors among treatment facilities if the transfer is in the best interests of the minor or due to treatment priorities.

(4) The responsible state-funded evaluation and treatment facility or approved substance use disorder treatment program shall submit a report to the authority's designated placement committee within ninety days of admission and no less than every one hundred eighty days thereafter, setting forth such facts as the authority requires, including the minor's individual treatment plan and progress, recommendations for future treatment, and possible less restrictive treatment.
