Conflict with federal requirements.** In furtherance of the policy of this state to cooperate with the federal government in the programs included in this title the secretary or director, as appropriate, shall issue such rules and regulations as may become necessary to entitle this state to participate in federal grants-in-aid, goods, commodities and services unless the same be expressly prohibited by this title. Any section or provision of this title which may be susceptible to more than one construction shall be interpreted in favor of the construction most likely to satisfy federal laws entitling this state to receive federal matching or other funds for the various programs of public assistance.
