(c) An adjustment, as determined by the department in its sole discretion, for cost of compensation for work time that may not be billed as service hours, such as travel time, that must be paid to direct service workers under wage and hour laws and any related employer tax contributions or premiums.

(4) The portion of the vendor rate calculated for health care benefits, including but not limited to medical, dental, and vision benefits, may only be used for health benefits for home care agency workers who provide direct care.

(5) When establishing the per-quarter-hour amount, the department must prevent duplicate accounting for the same cost. [2020 c 336 s 1; 2018 c 278 s 23; 2007 c 361 s 8; 2006 c 9 s 1.]
