

RCW 74.42.180 Social services. (1) The facility shall provide social services, or arrange for the provision of social services with qualified outside resources, for each resident whose comprehensive plan of care requires the provision of social services.

(2) The facility shall designate one staff member qualified by training or experience to be responsible for arranging for social services in the facility or with qualified outside resources and integrating social services with other elements of the plan of care. [1979 ex.s. c 211 s 18.]
