

RCW 79.130.050 United States Navy base—Legislative findings and declaration. The legislature recognizes the importance of economic development in the state of Washington, and finds that the location of a United States Navy base in Everett, Washington will enhance economic development. The legislature finds that the state should not assume liability or risks resulting from any action taken by the United States Navy, now or in the future associated with the dredge disposal program for that project known as confined aquatic disposal (CAD). The legislature also recognizes the importance of improving water quality and cleaning up pollution in Puget Sound. The legislature declares these actions to be a public purpose necessary to protect the health, safety, and welfare of its citizens, and to promote economic growth and improve environmental quality in the state of Washington. The United States Navy proposes to commence the Everett home port project immediately. [2005 c 155 § 605; 1987 c 271 § 1. Formerly RCW 79.95.050.]
