

**RCW 80.80.050 Public comment—Commercially available turbines—
Rate of greenhouse gases emissions—Reports—Rules.**

The energy policy division of the *department of community, trade, and economic development shall provide an opportunity for interested parties to comment on the development of a survey of new combined-cycle natural gas thermal electric generation turbines commercially available and offered for sale by manufacturers and purchased in the United States to determine the average rate of emissions of greenhouse gases for these turbines. The *department of community, trade, and economic development shall report the results of its survey to the legislature every five years, beginning June 30, 2013. The *department of community, trade, and economic development shall adopt by rule the average available greenhouse gases emissions output every five years beginning five years after July 22, 2007. [2007 c 307 § 7.]

***Reviser's note:** The "department of community, trade, and economic development" was renamed the "department of commerce" by 2009 c 565.
