

RCW 84.52.130 Fire protection district excess levies. The limitations imposed by RCW 84.52.050 through 84.52.056, and 84.52.043 shall not prevent the levy of taxes by a fire protection district, when authorized so to do by the voters of a fire protection district in the manner and for the purposes and number of years allowable under Article VII, section 2(a) of the Constitution of this state. Elections for taxes shall be held in the year in which the levy is made, or in the case of propositions authorizing two-year through four-year levies for maintenance and operation support of a fire district, or authorizing two-year through six-year levies to support the construction, modernization, or remodeling of fire district facilities, in the year in which the first annual levy is made. Once additional tax levies have been authorized for maintenance and operation support of a fire protection district for a two-year through four-year period, no further additional tax levies for maintenance and operation support of the district for that period may be authorized.

A special election may be called and the time fixed by the fire protection district commissioners, by giving notice by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing the excess levy shall be submitted in a form as to enable the voters favoring the proposition to vote "yes" and those opposed to vote "no."
