**Intent—2001 c 296:** "It is the intent of the legislature to authorize the department of social and health services to investigate the background of current and future department employees to the same extent and with the same effect as it has authorized the state to investigate the background and exclude from the provision of service current and future care providers, contractors, volunteers, and others. The department of social and health services must coordinate with the department of personnel to develop rules that address the procedures for undertaking background checks, and specifically what action would be taken against a current employee who is disqualified from his or her current position because of a background check not previously performed." [2001 c 296 § 1.]
