

Chapter 36.57A RCW
PUBLIC TRANSPORTATION BENEFIT AREAS

Sections

- 36.57A.010 Definitions.
- 36.57A.011 Municipality defined.
- 36.57A.020 Public transportation improvement conference—Convening—Purpose—Multi-county conferences.
- 36.57A.030 Establishment or change in boundaries of public transportation benefit area—Hearing—Notice—Procedure—Authority of county to terminate public transportation benefit area.
- 36.57A.040 Cities included or excluded—Boundaries—Only benefited areas included—One area per county, exception.
- 36.57A.050 Governing body—Selection, qualification, number of members—Travel expenses, compensation.
- 36.57A.055 Governing body—Periodic review of composition.
- 36.57A.060 Comprehensive plan—Development—Elements.
- 36.57A.070 Comprehensive plan—Review.
- 36.57A.080 General powers.
- 36.57A.090 Additional powers—Acquisition of existing system.
- 36.57A.100 Agreements with operators of local public transportation services—Operation without agreement prohibited—Purchase or condemnation of assets.
- 36.57A.110 Powers of component city concerning passenger transportation transferred to benefit area—Operation of system by city until acquired by benefit area—Consent.
- 36.57A.120 Acquisition of existing system—Labor contracts, employee rights preserved—Collective bargaining.
- 36.57A.130 Treasurer and auditor—Powers and duties—Transportation fund—Contribution of sums for expenses.
- 36.57A.140 Annexation of additional area.
- 36.57A.150 Advanced financial support payments.
- 36.57A.160 Dissolution and liquidation.
- 36.57A.170 Rail fixed guideway public transportation system—Safety program plan and security and emergency preparedness plan.
- 36.57A.180 Public transportation for persons with special needs.
- 36.57A.191 Maintenance plan.
- 36.57A.200 Passenger-only ferry service—Authorized—Investment plan.
- 36.57A.210 Passenger-only ferry service—Taxes, fees, and tolls.
- 36.57A.215 Ferry terminal easement.
- 36.57A.220 Passenger-only ferry service between Kingston and Seattle.
- 36.57A.222 Passenger-only ferry service districts—Authorized—Investment plan—Dissolution.
- 36.57A.224 Passenger-only ferry service districts—Revenue.
- 36.57A.226 Passenger-only ferry service districts—Issuance of bonds.
- 36.57A.230 Public transportation fares—Proof of payment—Civil infractions.

- 36.57A.235 Public transportation fares—Schedule of fines and penalties—Who may monitor fare payment—Administration of citations.
- 36.57A.240 Public transportation fares—Powers of law enforcement authorities.
- 36.57A.245 Public transportation fares—Powers and authority are supplemental to other laws.
- 36.57A.250 Supplemental transportation improvements.
- 36.57A.260 Green electrolytic hydrogen and renewable hydrogen—Power to produce, distribute, and use.

Financing of public transportation systems: Chapter 35.95 RCW and RCW 82.14.045.

Transportation centers authorized: Chapter 81.75 RCW.

RCW 36.57A.010 Definitions. The definitions set forth in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "City" means an incorporated city or town.

(2) "City council" means the legislative body of any city or town.

(3) "Component city" means an incorporated city or town within a public transportation benefit area.

(4) "County legislative authority" means the board of county commissioners or the county council.

(5) "Population" means the number of residents as shown by the figures released for the most recent official state, federal, or county census, or population determination made by the office of financial management.

(6) "Proof of payment" means evidence of fare prepayment authorized by a public transportation benefit area for the use of buses or other modes of public transportation.

(7) "Public transportation benefit area" means a municipal corporation of the state of Washington created pursuant to this chapter.

(8) "Public transportation benefit area authority" or "authority" means the legislative body of a public transportation benefit area.

(9) "Public transportation improvement conference" or "conference" means the body established pursuant to RCW 36.57A.020 which shall be authorized to establish, subject to the provisions of RCW 36.57A.030, a public transportation benefit area pursuant to the provisions of this chapter.

(10) "Public transportation service" means the transportation of packages, passengers, and their incidental baggage by means other than by chartered bus, sight-seeing bus, together with the necessary passenger terminals and parking facilities or other properties necessary for passenger and vehicular access to and from such people moving systems: PROVIDED, That nothing shall prohibit an authority from leasing its buses to private certified carriers or prohibit the authority from providing school bus service. "Public transportation service" includes passenger-only ferry service for those public transportation benefit areas eligible to provide passenger-only ferry service under RCW 36.57A.200. [2008 c 123 s 10; 2003 c 83 s 209; 1983 c 65 s 1; 1979 c 151 s 40; 1975 1st ex.s. c 270 s 11.]

Alphabetization—2008 c 123: See note following RCW 35.58.020.

Findings—Intent—Captions, part headings not law—Severability—Effective date—2003 c 83: See notes following RCW 36.57A.200.

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

Population determinations, office of financial management: Chapter 43.62 RCW.

RCW 36.57A.011 Municipality defined. See RCW 35.58.272.

RCW 36.57A.020 Public transportation improvement conference—Convening—Purpose—Multi-county conferences. The county legislative authority of every county with a population of forty thousand or more shall, and the legislative authority of every other county may, within ninety days of July 1, 1975, and as often thereafter as it deems necessary, and upon thirty days prior written notice addressed to the legislative body of each city within the county and with thirty days public notice, convene a public transportation improvement conference to be attended by an elected representative selected by the legislative body of each city, within such county, and by the county legislative authority. Such conference shall be for the purpose of evaluating the need for and the desirability of the creation of a public transportation benefit area within certain incorporated and unincorporated portions of the county to provide public transportation services within such area. In those counties where county officials believe the need for public transportation service extends across county boundaries so as to provide public transportation service in a metropolitan area, the county legislative bodies of two or more neighboring counties may elect to convene a multi-county conference. In addition, countywide conferences may be convened by resolution of the legislative bodies of two or more cities within the county, not to exceed one in any twelve-month period, or a petition signed by at least ten percent of the registered voters in the last general election of the city, county or city/county areas of a proposed benefit area. The chair of the conference shall be elected from the members at large. [1991 c 363 s 73; 1975 1st ex.s. c 270 s 12.]

Purpose—Captions not law—1991 c 363: See notes following RCW 2.32.180.

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.030 Establishment or change in boundaries of public transportation benefit area—Hearing—Notice—Procedure—Authority of county to terminate public transportation benefit area. Any conference which finds it desirable to establish a public transportation benefit area or change the boundaries of any existing public transportation benefit area shall fix a date for a public hearing thereon, or the legislative bodies of any two or more

component cities or the county legislative body by resolution may require the public transportation improvement conference to fix a date for a public hearing thereon. Prior to the convening of the public hearing, the county governing body shall delineate the area of the county proposed to be included within the transportation benefit area, and shall furnish a copy of such delineation to each incorporated city within such area. Each city shall advise the county governing body, on a preliminary basis, of its desire to be included or excluded from the transportation benefit area by means of an ordinance adopted by the legislative body of that city. The county governing body shall cause the delineations to be revised to reflect the wishes of such incorporated cities. This delineation shall be considered by the conference at the public hearing for inclusion in the public transportation benefit area.

Notice of such hearing shall be published once a week for at least four consecutive weeks in one or more newspapers of general circulation within the area. The notice shall contain a description and map of the boundaries of the proposed public transportation benefit area and shall state the time and place of the hearing and the fact that any changes in the boundaries of the public transportation benefit area will be considered at such time and place. At such hearing or any continuation thereof, any interested person may appear and be heard on all matters relating to the effect of the formation of the proposed public transportation benefit area.

The conference may make such changes in the boundaries of the public transportation benefit area as they shall deem reasonable and proper, but may not delete any portion of the proposed area which will create an island of included or excluded lands, and may not delete a portion of any city. If the conference shall determine that any additional territory should be included in the public transportation benefit area, a second hearing shall be held and notice given in the same manner as for the original hearing. The conference may adjourn the hearing on the formation of a public transportation benefit area from time to time not exceeding thirty days in all.

Following the conclusion of such hearing the conference shall adopt a resolution fixing the boundaries of the proposed public transportation benefit area, declaring that the formation of the proposed public transportation benefit area will be conducive to the welfare and benefit of the persons and property therein.

Within thirty days of the adoption of such conference resolution, the county legislative authority of each county wherein a conference has established proposed boundaries of a public transportation benefit area, may by resolution, upon making a legislative finding that the proposed benefit area includes portions of the county which could not be reasonably expected to benefit from such benefit area or excludes portions of the county which could be reasonably expected to benefit from its creation, disapprove and terminate the establishment of such public transportation benefit area within such county. [2016 c 95 s 11; 1977 ex.s. c 44 s 1; 1975 1st ex.s. c 270 s 13.]

Intent—2016 c 95: See note following RCW 36.62.252.

Severability—1977 ex.s. c 44: "If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the

provision to other persons or circumstances is not affected." [1977 ex.s. c 44 s 7.]

Effective date—1977 ex.s. c 44: "This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1977." [1977 ex.s. c 44 s 8.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.040 Cities included or excluded—Boundaries—Only benefited areas included—One area per county, exception. At the time of its formation no public transportation benefit area may include only a part of any city, and every city shall be either wholly included or wholly excluded from the boundaries of such area. Notwithstanding any other provision of law, if subsequent to the formation of a public transportation benefit area additional area became or will become a part of a component city by annexation, merger, or otherwise, the additional area shall be included within the boundaries of the transportation benefit area and be subject to all taxes and other liabilities and obligations of the public transportation benefit area. The component city shall be required to notify the public transportation benefit area at the time the city has added the additional area. Furthermore, notwithstanding any other provisions of law except as specifically provided in this section, if a city that is not a component city of the public transportation benefit area adds area to its boundaries that is within the boundaries of the public transportation benefit area, the area so added shall be deemed to be excluded from the public transportation benefit area: PROVIDED, That the public transportation benefit area shall be given notice of the city's intention to add such area. If a city extends its boundaries through annexation across a county boundary line and such extended boundaries include areas within the public transportation benefit area, then the entire area of the city within the county that is within the public transportation benefit area shall be included within the public transportation benefit area boundaries. Such area of the city in the public transportation benefit area shall be considered a component city of the public transportation benefit area corporation.

The boundaries of any public transportation benefit area shall follow school district lines or election precinct lines, as far as practicable. Only such areas shall be included which the conference determines could reasonably benefit from the provision of public transportation services. Except as provided in RCW 36.57A.140(2), only one public transportation benefit area may be created in any county. [1992 c 16 s 1; 1991 c 318 s 15; 1983 c 65 s 2; 1975 1st ex.s. c 270 s 14.]

Intent—1991 c 318: "The legislature recognizes that certain communities have important cultural, economic, or transportation linkages to communities in other counties. Many public services can most efficiently be delivered from public agencies located in counties other than the county within which the community is located. It is the

intent of the legislature by enacting sections 15 through 17 of this act to further more effective public transportation linkages between communities, regardless of county association, in order to better serve state citizen needs." [1991 c 318 s 14.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.050 Governing body—Selection, qualification, number of members—Travel expenses, compensation. Within sixty days of the establishment of the boundaries of the public transportation benefit area the members of the county legislative authority and the elected representative of each city within the area shall provide for the selection of the governing body of such area, the public transportation benefit area authority, which shall consist of elected officials selected by and serving at the pleasure of the governing bodies of component cities within the area and the county legislative authority of each county within the area. The members of the governing body of the public transportation benefit area, if the population of the county in which the public transportation benefit area is located is more than four hundred thousand and the county does not also contain a city with a population of seventy-five thousand or more operating a transit system pursuant to chapter 35.95 RCW, must be selected to assure proportional representation, based on population, of each of the component cities located within the public transportation benefit area and the unincorporated areas of the county located within the public transportation benefit area, to the extent possible within the restrictions placed on the size of the governing body of a public transportation benefit area. If necessary to assure such proportional representation, multiple cities may be represented by a single elected official from one of the cities. A majority of the governing board may not be selected to represent a single component city. If at the time a public transportation benefit area authority assumes the public transportation functions previously provided under the interlocal cooperation act (chapter 39.34 RCW) there are citizen positions on the governing board of the transit system, those positions may be retained as positions on the governing board of the public transportation benefit area authority.

Within such sixty-day period, any city may by resolution of its legislative body withdraw from participation in the public transportation benefit area. The county legislative authority and each city remaining in the public transportation benefit area may disapprove and prevent the establishment of any governing body of a public transportation benefit area if the composition thereof does not meet its approval.

In no case shall the governing body of a single county public transportation benefit area be greater than nine voting members and in the case of a multicounty area, fifteen voting members. Those cities within the public transportation benefit area and excluded from direct membership on the authority are hereby authorized to designate a member of the authority who shall be entitled to represent the interests of such city which is excluded from direct membership on the authority. The legislative body of such city shall notify the authority as to the determination of its authorized representative on the authority.

There is one nonvoting member of the public transportation benefit area authority. The nonvoting member is recommended by the labor organization representing the public transportation employees within the local public transportation system. If the public transportation employees are represented by more than one labor organization, all such labor organizations shall select the nonvoting member by majority vote. The nonvoting member shall comply with all governing bylaws and policies of the authority. The chair or cochair of the authority shall exclude the nonvoting member from attending any executive session held for the purpose of discussing negotiations with labor organizations. The chair or cochair may exclude the nonvoting member from attending any other executive session. The requirement that a nonvoting member be appointed to the governing body of a public transportation benefit area authority does not apply to an authority that has no employees represented by a labor union.

Each member of the authority is eligible to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060 and to receive compensation, as set by the authority, in an amount not to exceed forty-four dollars for each day during which the member attends official meetings of the authority or performs prescribed duties approved by the chair of the authority. Except that the authority may, by resolution, increase the payment of per diem compensation to each member from forty-four dollars up to ninety dollars per day or portion of a day for actual attendance at board meetings or for performance of other official services or duties on behalf of the authority. In no event may a member be compensated in any year for more than seventy-five days, except the chair who may be paid compensation for not more than one hundred days: PROVIDED, That compensation shall not be paid to an elected official or employee of federal, state, or local government who is receiving regular full-time compensation from such government for attending meetings and performing prescribed duties of the authority.

The dollar thresholds established in this section must be adjusted for inflation by the office of financial management every five years, beginning January 1, 2024, based upon changes in the consumer price index during that time period. "Consumer price index" means, for any calendar year, that year's annual average consumer price index, for Washington state, for wage earners and clerical workers, all items, compiled by the bureau of labor and statistics, United States department of labor. If the bureau of labor and statistics develops more than one consumer price index for areas within the state, the index covering the greatest number of people, covering areas exclusively within the boundaries of the state, and including all items shall be used for the adjustments for inflation in this section. The office of financial management must calculate the new dollar threshold and transmit it to the office of the code reviser for publication in the Washington State Register at least one month before the new dollar threshold is to take effect.

A person holding office as commissioner for two or more special purpose districts shall receive only that per diem compensation authorized for one of his or her commissioner positions as compensation for attending an official meeting or conducting official services or duties while representing more than one of his or her districts. However, such commissioner may receive additional per diem compensation if approved by resolution of all boards of the affected commissions. [2020 c 83 s 2; 2018 c 154 s 1; 2010 c 278 s 3; 2009 c

549 s 4097; 2007 c 469 s 14; 1998 c 121 s 15; 1983 c 65 s 3; 1977 ex.s. c 44 s 2; 1975 1st ex.s. c 270 s 15.]

Effective date—2018 c 154: "This act takes effect August 1, 2018." [2018 c 154 s 3.]

Severability—Effective date—1977 ex.s. c 44: See notes following RCW 36.57A.030.

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.055 Governing body—Periodic review of composition.

After a public transportation benefit area has been in existence for four years, members of the county legislative authority and the elected representative of each city within the boundaries of the public transportation benefit area shall review the composition of the governing body of the benefit area and change the composition of the governing body if the change is deemed appropriate. When determining if a change to the composition of the governing body is appropriate, the proportional representation requirements of RCW 36.57A.050 must be taken into consideration if the population of the county in which the public transportation benefit area is located is more than four hundred thousand and the county does not also contain a city with a population of seventy-five thousand or more operating a transit system pursuant to chapter 35.95 RCW, and the composition of the governing body must be changed if necessary to meet this requirement. The review shall be at a meeting of the designated representatives of the component county and cities, and the majority of those present shall constitute a quorum at such meeting. Twenty days notice of the meeting shall be given by the chief administrative officer of the public transportation benefit area authority. After the initial review, a review shall be held every four years.

If an area having a population greater than fifteen percent, or areas with a combined population of greater than twenty-five percent of the population of the existing public transportation benefit area as constituted at the last review meeting, annex to the public transportation benefit area, or if an area is added under RCW 36.57A.140(2), the representatives of the component county and cities shall meet within ninety days to review and change the composition of the governing body, if the change is deemed appropriate. This meeting is in addition to the regular four-year review meeting and shall be conducted pursuant to the same notice requirement and quorum provisions of the regular review. [2018 c 154 s 2; 1991 c 318 s 16; 1983 c 65 s 4.]

Effective date—2018 c 154: See note following RCW 36.57A.050.

Intent—1991 c 318: See note following RCW 36.57A.040.

RCW 36.57A.060 Comprehensive plan—Development—Elements. The public transportation benefit area authority authorized pursuant to RCW 36.57A.050 shall develop a comprehensive transit plan for the

area. Such plan shall include, but not be limited to the following elements:

(1) The levels of transit service that can be reasonably provided for various portions of the benefit area.

(2) The funding requirements, including local tax sources, state and federal funds, necessary to provide various levels of service within the area.

(3) The impact of such a transportation program on other transit systems operating within that county or adjacent counties.

(4) The future enlargement of the benefit area or the consolidation of such benefit area with other transit systems. [1975 1st ex.s. c 270 s 16.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.070 Comprehensive plan—Review. The comprehensive transit plan adopted by the authority shall be reviewed by the state department of transportation to determine:

(1) The completeness of service to be offered and the economic viability of the transit system proposed in such comprehensive transit plan;

(2) Whether such plan integrates the proposed transportation system with existing transportation modes and systems that serve the benefit area;

(3) Whether such plan coordinates that area's system and service with nearby public transportation systems;

(4) Whether such plan is eligible for matching state or federal funds. [2006 c 334 s 30; 1985 c 6 s 5; 1975 1st ex.s. c 270 s 17.]

Effective date—2006 c 334: See note following RCW 47.01.051.

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.080 General powers. In addition to the powers specifically granted by this chapter a public transportation benefit area shall have all powers which are necessary to carry out the purposes of the public transportation benefit area. A public transportation benefit area may contract with the United States or any agency thereof, any state or agency thereof, any other public transportation benefit area, any county, city, metropolitan municipal corporation, special district, or governmental agency, within or without the state, and any private person, firm or corporation for the purpose of receiving gifts or grants or securing loans or advances for preliminary planning and feasibility studies, or for the design, construction or operation of transportation facilities. In addition a public transportation benefit area may contract with any governmental agency or with any private person, firm or corporation for the use by either contracting party of all or any part of the facilities, structures, lands, interests in lands, air rights over lands and rights-of-way of all kinds which are owned, leased or held by the other party and for the purpose of planning, constructing or operating any facility or performing any service which the public transportation

benefit area may be authorized to operate or perform, on such terms as may be agreed upon by the contracting parties. Before any contract for the lease or operation of any public transportation benefit area facilities shall be let to any private person, firm or corporation, a general schedule of rental rates for bus equipment with or without drivers shall be publicly posted applicable to all private certificated carriers, and for other facilities competitive bids shall first be called upon such notice, bidder qualifications and bid conditions as the public transportation benefit area authority shall determine.

A public transportation benefit area may sue and be sued in its corporate capacity in all courts and in all proceedings. [1975 1st ex.s. c 270 s 18.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.090 Additional powers—Acquisition of existing system. A public transportation benefit area authority shall have the following powers in addition to the general powers granted by this chapter:

(1) To prepare, adopt, and carry out a general comprehensive plan for public transportation service which will best serve the residents of the public transportation benefit area and to amend said plan from time to time to meet changed conditions and requirements.

(2) To acquire by purchase, condemnation, gift, or grant and to lease, construct, add to, improve, replace, repair, maintain, operate, and regulate the use of transportation facilities and properties within or without the public transportation benefit area or the state, including systems of surface, underground, or overhead railways, tramways, buses, or any other means of local transportation except taxis, and including escalators, moving sidewalks, or other people-moving systems, passenger terminal and parking facilities and properties, and such other facilities and properties as may be necessary for passenger and vehicular access to and from such people-moving systems, terminal and parking facilities and properties, together with all lands, rights-of-way, property, equipment, and accessories necessary for such systems and facilities. Public transportation facilities and properties which are owned by any city may be acquired or used by the public transportation benefit area authority only with the consent of the city council of the city owning such facilities. Cities are hereby authorized to convey or lease such facilities to a public transportation benefit area authority or to contract for their joint use on such terms as may be fixed by agreement between the city council of such city and the public transportation benefit area authority, without submitting the matter to the voters of such city.

(3) To fix rates, tolls, fares, and charges for the use of such facilities and to establish various routes and classes of service. Fares or charges may be adjusted or eliminated for any distinguishable class of users including, but not limited to, senior citizens, persons with disabilities, and students.

In the event any person holding a certificate of public convenience and necessity from the Washington utilities and transportation commission under RCW 81.68.040 has operated under such

certificate for a continuous period of one year prior to the date of certification and is offering service within the public transportation benefit area on the date of the certification by the county canvassing board that a majority of votes cast authorize a tax to be levied and collected by the public transportation benefit area authority, such authority may by purchase or condemnation acquire at the fair market value, from the person holding the existing certificate for providing the services, that portion of the operating authority and equipment representing the services within the area of public operation. The person holding such existing certificate may require the public transportation benefit area authority to initiate such purchase of those assets of such person, existing as of the date of the county canvassing board certification, within sixty days after the date of such certification. [2020 c 274 s 18; 1981 c 25 s 4; 1977 ex.s. c 44 s 3; 1975 1st ex.s. c 270 s 19.]

Severability—Effective date—1977 ex.s. c 44: See notes following RCW 36.57A.030.

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.100 Agreements with operators of local public transportation services—Operation without agreement prohibited—Purchase or condemnation of assets. Except in accordance with an agreement made as provided in this section or in accordance with the provisions of RCW 36.57A.090(3) as now or hereafter amended, upon the effective date on which the public transportation benefit area commences to perform the public transportation service, no person or private corporation shall operate a local public passenger transportation service, including passenger-only ferry service, within the public transportation benefit area with the exception of taxis, buses owned or operated by a school district or private school, and buses owned or operated by any corporation or organization solely for the purposes of the corporation or organization and for the use of which no fee or fare is charged.

An agreement may be entered into between the public transportation benefit area authority and any person or corporation legally operating a local public passenger transportation service, including passenger-only ferry service, wholly within or partly within and partly without the public transportation benefit area and on said effective date under which such person or corporation may continue to operate such service or any part thereof for such time and upon such terms and conditions as provided in such agreement. Such agreement shall provide for a periodic review of the terms and conditions contained therein. Where any such local public passenger transportation service, including passenger-only ferry service, will be required to cease to operate within the public transportation benefit area, the public transportation benefit area authority may agree with the owner of such service to purchase the assets used in providing such service, or if no agreement can be reached, the public transportation benefit area authority shall condemn such assets in the manner and by the same procedure as is or may be provided by law for the condemnation of other properties for cities of the first class,

except insofar as such laws may be inconsistent with the provisions of this chapter.

Wherever a privately owned public carrier operates wholly or partly within a public transportation benefit area, the Washington utilities and transportation commission shall continue to exercise jurisdiction over such operation as provided by law. [2003 c 83 s 210; 1977 ex.s. c 44 s 4; 1975 1st ex.s. c 270 s 20.]

Findings—Intent—Captions, part headings not law—Severability—Effective date—2003 c 83: See notes following RCW 36.57A.200.

Severability—Effective date—1977 ex.s. c 44: See notes following RCW 36.57A.030.

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.110 Powers of component city concerning passenger transportation transferred to benefit area—Operation of system by city until acquired by benefit area—Consent. The public transportation benefit area shall have and exercise all rights with respect to the construction, acquisition, maintenance, operation, extension, alteration, repair, control and management of passenger transportation which any component city shall have been previously empowered to exercise and such powers shall not thereafter be exercised by such component cities without the consent of the public transportation benefit area: PROVIDED, That any city owning and operating a public transportation system on July 1, 1975 may continue to operate such system within such city until such system shall have been acquired by the public transportation benefit area and a public transportation benefit area may not acquire such system without the consent of the city council of such city. [1975 1st ex.s. c 270 s 21.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.120 Acquisition of existing system—Labor contracts, employee rights preserved—Collective bargaining. If a public transportation benefit area shall acquire any existing transportation system, it shall assume and observe all existing labor contracts relating to such system and, to the extent necessary for operation of facilities, all of the employees of such acquired transportation system whose duties are necessary to operate efficiently the facilities acquired shall be appointed to comparable positions to those which they held at the time of such transfer, and no employee or retired or pensioned employee of such systems shall be placed in any worse position with respect to pension seniority, wages, sick leave, vacation or other benefits that he or she enjoyed as an employee of such system prior to such acquisition. The public transportation benefit area authority shall engage in collective bargaining with the duly appointed representatives of any employee labor organization having existing contracts with the acquired transportation system and

may enter into labor contracts with such employee labor organization.
[2009 c 549 s 4098; 1975 1st ex.s. c 270 s 22.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.130 Treasurer and auditor—Powers and duties—Transportation fund—Contribution of sums for expenses. The treasurer of the county in which a public transportation benefit area authority is located shall be ex officio treasurer of the authority. In the case of a multicounty public transportation benefit area the county treasurer of the largest component county, by population, shall be the treasurer of the authority. However, the authority, by resolution, and upon the approval of the county treasurer, may designate some other person having experience in financial or fiscal matters as treasurer of the authority. Such a treasurer shall possess all of the powers, responsibilities, and duties the county treasurer possesses for a public transportation benefit area authority related to investing surplus authority funds. The authority may (and if the treasurer is not a county treasurer, it shall) require a bond with a surety company authorized to do business in the state of Washington in an amount and under the terms and conditions the authority, by resolution, from time to time finds will protect the authority against loss. The premium on any such bond shall be paid by the authority.

All authority funds shall be paid to the treasurer and shall be disbursed by the treasurer only on warrants issued by the county auditor, upon orders or vouchers approved by the authority. However, the authority may, by resolution, designate some person having experience in financial or fiscal matters, other than the county auditor, as the auditor of the authority. Such an auditor shall possess all of the powers, responsibilities, and duties that the county auditor possesses for a public transportation benefit area authority related to creating and maintaining funds, issuing warrants, and maintaining a record of receipts and disbursements.

The treasurer shall establish a "transportation fund," into which shall be paid all authority funds, and the treasurer shall maintain such special accounts as may be created by the authority into which shall be placed all money as the authority may, by resolution, direct.

If the treasurer of the authority is a treasurer of the county, all authority funds shall be deposited with the county depository under the same restrictions, contracts, and security as provided for county depositories. If the treasurer of the authority is some other person, all funds shall be deposited in such bank or banks authorized to do business in this state that have qualified for insured deposits under any federal deposit insurance act as the authority, by resolution, shall designate.

An authority may provide and require a reasonable bond of any other person handling moneys or securities of the authority, but the authority shall pay the premium on the bond.

The county or counties and each city or town which is included in the authority shall contribute such sums towards the expense for maintaining and operating the public transportation system as shall be agreed upon between them. [1983 c 151 s 1; 1975 1st ex.s. c 270 s 23.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.140 Annexation of additional area. (1) An election to authorize the annexation of territory contiguous to a public transportation benefit area may be called within the area to be annexed pursuant to resolution or petition in the following manner:

(a) By resolution of a public transportation benefit area authority when it determines that the best interests and general welfare of the public transportation benefit area would be served. The authority shall consider the question of areas to be annexed to the public transportation benefit area at least once every two years.

(b) By petition calling for such an election signed by at least four percent of the qualified voters residing within the area to be annexed and filed with the auditor of the county wherein the largest portion of the public transportation benefit area is located, and notice thereof shall be given to the authority. Upon receipt of such a petition, the auditor shall examine it and certify to the sufficiency of the signatures thereon.

(c) By resolution of a public transportation benefit area authority upon request of any city for annexation thereto.

(2) If the area proposed to be annexed is located within another county, the petition or resolution for annexation as set forth in subsection (1) of this section must be approved by the legislative authority of the county if the area is unincorporated or by the legislative authority of the city or town if the area is incorporated. Any annexation under this subsection must involve contiguous areas.

(3) The resolution or petition shall describe the boundaries of the area to be annexed. It shall require that there also be submitted to the electorate of the territory sought to be annexed a proposition authorizing the inclusion of the area within the public transportation benefit area and authorizing the imposition of such taxes authorized by law to be collected by the authority. [1991 c 318 s 17; 1983 c 65 s 5; 1975 1st ex.s. c 270 s 24.]

Intent—1991 c 318: See note following RCW 36.57A.040.

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.150 Advanced financial support payments. Counties that have established a county transportation authority pursuant to chapter 36.57 RCW and public transportation benefit areas that have been established pursuant to this chapter are eligible to receive a one-time advanced financial support payment from the state to assist in the development of the initial comprehensive transit plan required by RCW 36.57.070 and 36.57A.060. The amount of this support payment is established at one dollar per person residing within each county or public transportation benefit area, as determined by the office of financial management, but no single payment shall exceed fifty thousand dollars. Repayment of an advanced financial support payment shall be made to the public transportation account in the general fund or, if such account does not exist, to the general fund by each agency within two years of the date such advanced payment was received. Such

repayment shall be waived within two years of the date such advanced payment was received if the voters in the appropriate counties or public transportation benefit areas do not elect to levy and collect taxes enabled under authority of this chapter and RCW 35.95.040 and 82.14.045. The state department of transportation shall provide technical assistance in the preparation of local transit plans, and administer the advanced financial support payments authorized by this section. [1985 c 6 s 6; 1979 c 151 s 41; 1975 1st ex.s. c 270 s 25.]

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.160 Dissolution and liquidation. A public transportation benefit area established pursuant to this chapter may be dissolved and its affairs liquidated when so directed by a majority of persons in the benefit area voting on such question. An election placing such question before the voters may be called in the following manner:

(1) By resolution of the public transportation benefit area authority;

(2) By resolution of the county legislative body or bodies with the concurrence therein by resolution of the city council of a component city; or

(3) By petition calling for such election signed by at least ten percent of the qualified voters residing within the area filed with the auditor of the county wherein the largest portion of the public transportation benefit area is located. The auditor shall examine the same and certify to the sufficiency of the signatures thereon: PROVIDED, That to be validated, signatures must have been collected within a ninety day period as designated by the petition sponsors.

Any dissolution of a public transportation benefit area authority shall be carried out in accordance with the procedures in chapter 53.48 RCW. Any remaining deficit of the authority determined pursuant to RCW 53.48.080 shall be paid from the moneys collected from the tax source under which the authority operated. [1977 ex.s. c 44 s 5; 1975 1st ex.s. c 270 s 26.]

Severability—Effective date—1977 ex.s. c 44: See notes following RCW 36.57A.030.

Severability—Effective date—1975 1st ex.s. c 270: See notes following RCW 35.58.272.

RCW 36.57A.170 Rail fixed guideway public transportation system —Safety program plan and security and emergency preparedness plan.

(1) Each public transportation benefit area that owns or operates a rail fixed guideway public transportation system as defined in RCW 81.104.015 shall submit a system safety program plan and a system security and emergency preparedness plan for that guideway to the state department of transportation by September 1, 1999, or at least one hundred eighty calendar days before beginning operations or instituting significant revisions to its plans. These plans must describe the public transportation benefit area's procedures for (a) reporting and investigating any reportable incident, accident, or

security breach and identifying and resolving hazards or security vulnerabilities discovered during planning, design, construction, testing, or operations, (b) developing and submitting corrective action plans and annual safety and security audit reports, (c) facilitating on-site safety and security reviews by the state department of transportation and the federal transit administration, and (d) addressing passenger and employee safety and security. The plans must, at a minimum, conform to the standards adopted by the state department of transportation as set forth in the most current version of the Washington state rail safety oversight program standard manual as it exists on March 25, 2016, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section. If required by the department, the public transportation benefit area shall revise its plans to incorporate the department's review comments within sixty days after their receipt, and resubmit its revised plans for review.

(2) Each public transportation benefit area shall implement and comply with its system safety program plan and system security and emergency preparedness plan. The public transportation benefit area shall perform internal safety and security audits to evaluate its compliance with the plans, and submit its audit schedule to the department of transportation pursuant to the requirements in the most current version of the Washington state rail safety oversight program standard manual as it exists on March 25, 2016, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section. The public transportation benefit area shall prepare an annual report for its internal safety and security audits undertaken in the prior year and submit it to the department no later than February 15th. The department shall establish the requirements for the annual report. The contents of the annual report must include, at a minimum, the dates the audits were conducted, the scope of the audit activity, the audit findings and recommendations, the status of any corrective actions taken as a result of the audit activity, and the results of each audit in terms of the adequacy and effectiveness of the plans.

(3) Each public transportation benefit area shall notify the department of transportation, pursuant to the most current version of the Washington state rail safety oversight program standard manual as it exists on March 25, 2016, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section, any reportable incident, accident, security breach, hazard, or security vulnerability. The department may adopt rules further defining any reportable incident, accident, security breach, hazard, or security vulnerability. The public transportation benefit area shall investigate any reportable incident, accident, security breach, hazard, or security vulnerability and provide a written investigation report to the department as described in the most current version of the Washington state rail safety oversight program standard manual as it exists on March 25, 2016, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section.

(4) The system security and emergency preparedness plan required in subsection (1) of this section is exempt from public disclosure under chapter 42.56 RCW. However, the system safety program plan as described in this section is not subject to this exemption. [2016 c 33 s 6; 2007 c 422 s 5; 2005 c 274 s 271; 1999 c 202 s 5.]

Effective date—2016 c 33: See note following RCW 81.104.115.

Effective date—1999 c 202: See note following RCW 35.21.228.

RCW 36.57A.180 Public transportation for persons with special needs. (1) Effective January 1, 2001, in addition to any other authority granted under this chapter, a newly formed public transportation benefit area, or an existing public transportation benefit area that has not yet successfully submitted an authorizing proposition to the voters under RCW 82.14.045, may purchase, acquire, maintain, operate, or lease transportation services, equipment, and facilities for public transportation limited only to persons with special needs by any method or combination of methods provided by the area authority.

(2) As used in this section, "persons with special needs" means those persons, including their personal attendants, who because of physical or mental disability, income status, or age are unable to transport themselves or purchase transportation.

(3) The public transportation benefit area may fix, regulate, and control fares and rates to be charged for these transportation services. [2001 c 89 s 2.]

RCW 36.57A.191 Maintenance plan. As a condition of receiving state funding, a public transportation benefit area authority shall submit a maintenance and preservation management plan for certification by the department of transportation. The plan must inventory all transportation system assets within the direction and control of the authority, and provide a preservation plan based on lowest life-cycle cost methodologies. [2006 c 334 s 9; 2003 c 363 s 304.]

Effective date—2006 c 334: See note following RCW 47.01.051.

Finding—Intent—2003 c 363: See note following RCW 35.84.060.

Part headings not law—Severability—2003 c 363: See notes following RCW 47.28.241.

RCW 36.57A.200 Passenger-only ferry service—Authorized—Investment plan. A public transportation benefit area having a boundary located on Puget Sound may provide passenger-only ferry service. For the purposes of this chapter and RCW 82.14.440 and 82.80.130, Puget Sound is considered as extending north as far as the Canadian border and west as far as Port Angeles. Before a benefit area may provide passenger-only ferry service, it must develop a passenger-only ferry investment plan including elements to operate or contract for the operation of passenger-only ferry services, purchase, lease, or rental of ferry vessels and dock facilities for the provision of transit service, and identify other activities necessary to implement the plan. The plan must set forth terminal locations to be served, projected costs of providing services, and revenues to be generated from tolls, locally collected tax revenues, and other revenue sources. The plan must ensure that services provided under the plan are for the

benefit of the residents of the benefit area. The benefit area may use any of its powers to carry out this purpose, unless otherwise prohibited by law. In addition, the public transportation benefit area may enter into contracts and agreements to operate passenger-only ferry service and public-private partnerships and design-build, general contractor/construction management, or other alternative procurement process substantially consistent with chapter 39.10 RCW. [2003 c 83 s 201.]

Findings—Intent—2003 c 83: "The legislature finds that passenger-only ferry service is a key element to the state's transportation system and that it is in the interest of the state to ensure provision of such services. The legislature further finds that diminished state transportation resources require that regional and local authorities be authorized to develop, operate, and fund needed services.

The legislature recognizes that if the state eliminates passenger-only ferry service on one or more routes, it should provide an opportunity for locally sponsored service and the department of transportation should assist in this effort.

It is the intent of the legislature to encourage interlocal agreements to ensure passenger-only ferry service is reinstated on routes that the Washington state ferry system eliminates." [2003 c 83 s 101.]

Captions, part headings not law—2003 c 83: "Captions and part headings used in this act are not part of the law." [2003 c 83 s 401.]

Severability—2003 c 83: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2003 c 83 s 402.]

Effective date—2003 c 83: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [April 23, 2003]." [2003 c 83 s 403.]

RCW 36.57A.210 Passenger-only ferry service—Taxes, fees, and tolls. (1) A public transportation benefit area may, as part of a passenger-only ferry investment plan, recommend some or all of the following revenue sources as provided in this chapter:

- (a) A motor vehicle excise tax, as provided in RCW 82.80.130;
- (b) A sales and use tax, as provided in RCW 82.14.440;
- (c) Tolls for passengers and packages and, where applicable, parking; and
- (d) Charges or licensing fees for advertising, leasing space for services to ferry passengers, and other revenue-generating activities.

(2) Taxes may not be imposed without an affirmative vote of the majority of the voters within the boundaries of the area voting on a single ballot proposition to both approve a passenger-only ferry investment plan and to approve taxes to implement the plan. Revenues from these taxes and fees may be used only to implement the plan and must be used for the benefit of the residents of the benefit area. A district may contract with the state department of revenue or other

appropriate entities for administration and collection of any of the taxes or charges authorized in this section. [2003 c 83 s 202.]

Findings—Intent—Captions, part headings not law—Severability—Effective date—2003 c 83: See notes following RCW 36.57A.200.

RCW 36.57A.215 Ferry terminal easement. (1) A public transportation benefit area may obtain an easement for ferry terminal or docking facilities on, over, or across the beds of navigable waters that are under the jurisdiction of the department of natural resources. However, no easement payments are required for the easement.

(2) A public transportation benefit area may obtain an easement for ferry terminal or docking facilities on, over, or across harbor areas only when the areas are approved by the harbor line commission as a public place for public landings, wharves, or other public conveniences of commerce or navigation. No easement payments are required for the easement. [2023 c 146 s 1.]

RCW 36.57A.220 Passenger-only ferry service between Kingston and Seattle. A public transportation benefit area seeking grant funding as described in *RCW 47.01.350 for a passenger-only ferry route between Kingston and Seattle shall first receive approval from the governor after submitting a complete business plan to the governor and the legislature by November 1, 2007. The business plan must, at a minimum, include hours of operation, vessel needs, labor needs, proposed routes, passenger terminal facilities, passenger rates, anticipated federal and local funding, coordination with the Washington state ferry system, coordination with existing transit providers, long-term operation and maintenance needs, and a long-term financial plan. [2007 c 223 s 1; 2006 c 332 s 8.]

***Reviser's note:** RCW 47.01.350 was repealed by 2017 3rd sp.s. c 25 s 39.

Effective date—2007 c 223: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [April 27, 2007]." [2007 c 223 s 11.]

RCW 36.57A.222 Passenger-only ferry service districts—Authorized—Investment plan—Dissolution. (1) A governing body of a public transportation benefit area, located in a county that only borders the western side of Puget Sound with a population of more than two hundred thousand and contains one or more Washington state ferries terminals, may establish one or more passenger-only ferry service districts within all or a portion of the boundaries of the public transportation benefit area establishing the passenger-only ferry service district. A passenger-only ferry service district may include all or a portion of a city or town as long as all or a portion of the city or town boundaries are within the boundaries of the establishing public transportation benefit area. The members of the public transportation benefit area governing body proposing to establish the passenger-only ferry service district, acting ex officio and

independently, constitutes the governing body of the passenger-only ferry service district.

(2) A passenger-only ferry service district may establish, finance, and provide passenger-only ferry service, and associated services to support and augment passenger-only ferry service operation, within its boundaries in the same manner as authorized for public transportation benefit areas under this chapter.

(3) A passenger-only ferry service district constitutes a body corporate and possesses all the usual powers of a corporation for public purposes as well as all other powers that may be conferred by statute including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, to acquire, hold, and dispose of real and personal property, and to sue and be sued. Public works contract limits applicable to the public transportation benefit area that established the passenger-only ferry service district apply to the district. For purposes of this section, "passenger-only ferry service district" means a quasi-municipal corporation and independent taxing authority within the meaning of Article VII, section 1 of the state Constitution, and a taxing district within the meaning of Article VII, section 2 of the state Constitution, created by the legislative body of a public transportation benefit area.

(4) Before a passenger-only ferry service district may provide passenger-only ferry service, it must develop a passenger-only ferry investment plan, including elements: To operate or contract for the operation of passenger-only ferry services; to purchase, lease, or rent ferry vessels and dock facilities for the provision of transit service; and to identify other activities necessary to implement the plan. The plan must set forth terminal locations to be served, projected costs of providing services, and revenues to be generated from tolls, locally collected tax revenues, and other revenue sources. The plan must ensure that services provided under the plan are for the benefit of the residents of the passenger-only ferry service district. The passenger-only ferry service district may use any of its powers to carry out this purpose, unless otherwise prohibited by law. In addition, the passenger-only ferry service district may enter into: Contracts and agreements to operate passenger-only ferry service; public-private partnerships; and design-build, general contractor/construction management, or other alternative procurement processes substantially consistent with chapter 39.10 RCW.

(5) A passenger-only ferry service district may be dissolved by a majority vote of the governing body when all obligations under any general obligation bonds issued by the passenger-only ferry service district have been discharged and any other contractual obligations of the passenger-only ferry service district have either been discharged or assumed by another governmental entity. [2015 3rd sp.s. c 44 s 313.]

Effective date—2015 3rd sp.s. c 44: See note following RCW 46.68.395.

RCW 36.57A.224 Passenger-only ferry service districts—Revenue.

(1) A passenger-only ferry service district may, as part of a passenger-only ferry investment plan, recommend some or all of the following revenue sources as provided in this chapter:

- (a) A sales and use tax, as authorized in RCW 82.14.445;
 - (b) A parking tax, as authorized in RCW 82.80.035;
 - (c) Tolls for passengers, packages, and, where applicable, parking; and
 - (d) Charges or licensing fees for advertising, leasing space for services to ferry passengers, and other revenue generating activities.
- (2) Taxes may not be imposed without an affirmative vote of the majority of the voters within the boundaries of the passenger-only ferry service district voting on a single ballot proposition to both approve a passenger-only ferry investment plan and to approve taxes to implement the plan. Revenues from these taxes and fees may be used only to implement the plan and must be used for the benefit of the residents of the passenger-only ferry service district. A district must contract with the department of revenue for the administration and collection of a sales and use tax as authorized in RCW 82.14.445. A district may contract with other appropriate entities for the administration and collection of any of the other taxes or charges authorized in this section. [2015 3rd sp.s. c 44 s 314.]

Effective date—2015 3rd sp.s. c 44: See note following RCW 46.68.395.

RCW 36.57A.226 Passenger-only ferry service districts—Issuance of bonds. (1) To carry out the purposes of this chapter, a passenger-only ferry service district may issue general obligation bonds, not to exceed an amount, together with any other outstanding nonvoter-approved general obligation indebtedness, equal to one and one-half percent of the value of the taxable property within the area, as the term "value of the taxable property" is defined in RCW 39.36.015. A passenger-only ferry service district may also issue general obligation bonds for capital purposes only, together with any outstanding general obligation indebtedness, not to exceed an amount equal to five percent of the value of the taxable property within the area, as the term "value of the taxable property" is defined in RCW 39.36.015, when authorized by the voters of the area pursuant to Article VIII, section 6 of the state Constitution.

(2) General obligation bonds with a maturity in excess of twenty-five years may not be issued. The governing body of the passenger-only ferry service district must by resolution determine for each general obligation bond issue the amount, date, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, manner of execution, manner of sale, callable provisions, if any, covenants, and form, including registration as to principal and interest, registration as to principal only, or bearer. Registration may include, but not be limited to: (a) A book entry system of recording the ownership of a bond whether or not physical bonds are issued, or (b) recording the ownership of a bond together with the requirement that the transfer of ownership may only be effected by the surrender of the old bond and either the reissuance of the old bond or the issuance of a new bond to the new owner. Facsimile signatures may be used on the bonds and any coupons. Refunding general obligation bonds may be issued in the same manner as general obligation bonds are issued.

(3) Whenever general obligation bonds are issued to fund specific projects or enterprises that generate revenues, charges, user fees, or special assessments, the passenger-only ferry service district may specifically pledge all or a portion of the revenues, charges, user fees, or special assessments to refund the general obligation bonds. The passenger-only ferry service district may also pledge any other revenues that may be available to the district.

(4) In addition to general obligation bonds, a passenger-only ferry service district may issue revenue bonds to be issued and sold in accordance with chapter 39.46 RCW. [2015 3rd sp.s. c 44 s 317.]

Effective date—2015 3rd sp.s. c 44: See note following RCW 46.68.395.

RCW 36.57A.230 Public transportation fares—Proof of payment—Civil infractions.

(1) Persons traveling on public transportation operated by a public transportation benefit area shall pay the fare established by the public transportation benefit area and shall produce proof of payment in accordance with the terms of use established by the public transportation benefit area. Such persons shall produce proof of payment when requested by a person designated to monitor fare payment. The required manner of producing proof of payment specified in the terms of use established by the public transportation benefit area may include, but is not limited to, requiring a person using an electronic fare payment card to validate the card by presenting the card to an electronic card reader before or upon entering a public transportation vehicle or a restricted fare paid area.

(2) The following constitute civil infractions punishable according to the schedule of fines and penalties established by a public transportation benefit area under RCW 36.57A.235:

(a) Failure to pay the required fare, except when a public transportation benefit area fails to meet the requirements of subsection (3) of this section;

(b) Failure to produce proof of payment in the manner required by the terms of use established by the public transportation benefit area including, but not limited to, the failure to produce a validated fare payment card when requested to do so by a person designated to monitor fare payment; and

(c) Failure to depart the bus or other mode of public transportation when requested to do so by a person designated to monitor fare payment.

(3) If fare payment is required before entering a transit vehicle, as defined in RCW 9.91.025(2)(b), or before entering a fare paid area in a transit facility, as defined in RCW 9.91.025(2)(a), signage must be conspicuously posted at the place of boarding or within ten feet of the nearest entrance to a transit facility that clearly indicates: (a) The locations where tickets or fare media may be purchased; and (b) that a person using an electronic fare payment card must present the card to an electronic card reader before entering a transit vehicle or before entering a restricted fare paid area. [2012 c 68 s 2; 2008 c 123 s 6.]

RCW 36.57A.235 Public transportation fares—Schedule of fines and penalties—Who may monitor fare payment—Administration of citations. (1) A public transportation benefit area may establish, by resolution, a schedule of fines and penalties for civil infractions established in RCW 36.57A.230. Fines established shall not exceed those imposed for class 1 infractions under RCW 7.80.120.

(2)(a) A public transportation benefit area may designate persons to monitor fare payment who are equivalent to, and are authorized to exercise all the powers of, an enforcement officer as defined in RCW 7.80.040. A public transportation benefit area may employ personnel to either monitor fare payment or contract for such services, or both.

(b) In addition to the specific powers granted to enforcement officers under RCW 7.80.050 and 7.80.060, persons designated to monitor fare payment may also take the following actions:

(i) Request proof of payment from passengers;

(ii) Request personal identification from a passenger who does not produce proof of payment when requested;

(iii) Issue a citation conforming to the requirements established in RCW 7.80.070; and

(iv) Request that a passenger leave the bus or other mode of public transportation when the passenger has not produced proof of payment after being asked to do so by a person designated to monitor fare payment.

(3) A public transportation benefit area shall keep records of citations in the manner prescribed by RCW 7.80.150. All civil infractions established by this section and RCW 36.57A.230 and 36.57A.240 shall be heard and determined by a district court as provided in RCW 7.80.010 (1) and (4). [2008 c 123 s 7.]

RCW 36.57A.240 Public transportation fares—Powers of law enforcement authorities. RCW 36.57A.230 and 36.57A.235 do not prevent law enforcement authorities from prosecuting for theft, trespass, or other charges by any individual who:

(1) Fails to pay the required fare on more than one occasion within a twelve-month period;

(2) Fails to timely select one of the options for responding to the notice of civil infraction after receiving a statement of the options for responding to the notice of infraction and the procedures necessary to exercise these options; or

(3) Fails to depart the bus or other mode of public transportation when requested to do so by a person designated to monitor fare payment. [2008 c 123 s 8.]

RCW 36.57A.245 Public transportation fares—Powers and authority are supplemental to other laws. The powers and authority conferred by RCW 36.57A.230 through 36.57A.240 shall be construed as in addition and supplemental to powers or authority conferred by any other law, and nothing contained therein shall be construed as limiting any other powers or authority of any public agency. [2008 c 123 s 9.]

RCW 36.57A.250 Supplemental transportation improvements. If the legislative authority of a city provides or contracts for supplemental transportation improvements, as described in RCW 35.21.925 or under

chapter 36.73 RCW, a public transportation benefit area serving the city or border jurisdictions shall coordinate its services with the supplemental transportation improvements to maximize efficiencies in public transportation services within and across service boundaries. [2010 c 251 s 5.]

RCW 36.57A.260 Green electrolytic hydrogen and renewable hydrogen—Power to produce, distribute, and use. (1) A public transportation benefit area authority may:

(a) Produce, distribute, and use green electrolytic hydrogen and renewable hydrogen for internal operations;

(b) Produce, distribute for sale, or sell green electrolytic hydrogen and renewable hydrogen at wholesale or to an end-use customer; and

(c) (i) Sell green electrolytic hydrogen and renewable hydrogen at wholesale or to an end-use customer to or through facilities that distribute, compress, store, liquefy, or dispense green electrolytic hydrogen or renewable hydrogen for end use as a transportation fuel.

(ii) For the purposes of (c) (i) of this subsection, public transportation benefit areas may own, operate, or own and operate pipelines or dispensing facilities for green electrolytic hydrogen or renewable hydrogen for end use as a transportation fuel if all such pipelines and dispensing facilities are: (A) Located in the area where the public transportation benefit area is authorized to provide public transportation service; (B) located within the county where the public transportation benefit area is authorized to provide public transportation service and are service connected; or (C) located within the county where the public transportation benefit area is authorized to provide public transportation service and are pursuant to a partnership or agreement with one or more public or private partners.

(2) Nothing in this section authorizes a public transportation benefit area to sell green electrolytic hydrogen or renewable hydrogen delivered by pipeline to an end-use customer of a gas company.

(3) Nothing in this section subjects public transportation benefit areas to the jurisdiction of the utilities and transportation commission, except that the utilities and transportation commission may administer and enforce state and federal pipeline safety requirements, as authorized in chapter 81.88 RCW, including applicable fees payable to the utilities and transportation commission.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Green electrolytic hydrogen" has the same meaning provided in RCW 54.04.190.

(b) "Renewable hydrogen" has the same meaning provided in RCW 54.04.190.

(c) "Gas company" has the same meaning provided in RCW 80.04.010. [2023 c 234 s 1.]
